overabundance of outfielder

Gimlin's overabundance of outfielders made it necessary to cut his squad and he willingly consented to allow Moorehead to play with Boise after the player had made satisfactory terms with the Boise club.

Manager Jensen of Boise has several young outfielders and he expects to build up a fast outfield, with Moorehead to coach and steady the youngsters. Moorehead was Ogden's most dependable outfielder last year. He was the only outfielder signed at the beginning of the season who survived the season. He fielded a high percentage and batted in the neighborhood of 290. He left last night for Boise to Join the squad.

This will prove a welcome bit of information for all those who are overworked, gloomy, despondent, nervous and have trembling limbs, heart palpitation, dizziness, cold extremities, insomnia, fear without cause, timidity in venturing, and general inability to act naturally and rationally as others do, because the treatment can be prepared secretly at home and taken without anyone's knowldege.

Overworked office men and the many victims of society's late hours and dissipation will, it is said, find the restorative they are in need of.

If the reader decides to try it, get three ounces of ordinary syrup sarsaparilla compound and one ounce compound fluid balmwort; into and let stand two hours; then get one ounce compound (not cardamon), mix all together, shake well and one one when retiring.

A certain well-known medical expert asserts that thousands of men and many women are sufferers all because of dormant circulation of the blood and a consequential impairment of the nervous force, which begets the most dreadful symptoms and untold misery.
